*******FOR OFFICE USE ONLY*******

A permit is hereby issued by the City of Woodstock for the placement of 1 dumpster as described above. This permit is valid until _____. At that time, the dumpster must be removed or an additional permit can be obtained from the City of Woodstock. This permit is limited to the conditions described at the time of approval as well as the following:

1. All dumpsters **MUST** be covered when not in use.
2. Any dumpster located within a traffic lane or in a parking area **MUST** be protected with at least 2 lighted barricades at all times.
3. The dumpster **MUST** be emptied and maintained so that litter and trash is not overflowing, therefore creating a nuisance.
4. When requested by the City of Woodstock, the dumpster **MUST** be removed or emptied within 24 hours of notification.
